Limitations:

Article 1 B (1) of the 1951 Convention provides: "For the purposes of this Convention, the words 'events occurring before 1 January 1951' in article 1, Section A, shall be understood to mean either (a) 'events occurring in Europe before 1 January 1951'; or (b) 'events occurring in Europe or elsewhere before 1 January 1951', and each Contracting State shall make a declaration at the time of signature, ratification or accession, specifying which of these meanings it applies for the purposes of its obligations under this Convention."

The following States adopted alternative (a), the geographical limitation: Congo, Madagascar, Monaco and Turkey. Turkey expressly maintained its declaration of geographical limitation upon acceding to the 1967 Protocol. Madagascar has not yet adhered to the Protocol.

All other States Parties ratified, acceded or succeeded to the Convention without a geographical limitation by selecting option (b), 'events occurring in Europe or elsewhere before 1 January 1951'.

Note:

* Ratification (r), Accession (a), Succession (d).
